Join us!
National Habitat Conservation Plan Coalition's
ANNUAL MEETING
virtual! free! 2020

NOVEMBER 17 & 18
10 AM - 2 PM PST

KEYNOTE SPEAKERS
Bruce Babbitt
Dr. Mamie Parker

The annual meeting brings together HCP practitioners from across the country, including federal, state, and local agency staff, consultants, stakeholders, policy experts, and scientists.

TOPICS INCLUDE
- Updates from USFWS Headquarters
- Communicating and tracking HCP success
- Agriculture's role in conservation
- Monitoring species' response to management actions
- Impact of COVID/pandemic policies on HCP implementation
- Management of groundwater-dependent ecosystems for species
- Permit integration (aligning ESA, 404, NEPA, NOAA for streamlined permitting processes)
- Lessons learned from HCP planning and implementation
